## INFORMATION

7 HEN buying lining out stock from us you are getting material propagated from the best seedstocks obtainable. Our seedlings are grown under irrigation, on soil which is ideal for thrifty growth and vigorous root development.

We guarantee our stock to be true to name, and to be delivered to carrier in perfect condition.

We employ the most up-to-date methods of packing. After stock is in the hands of the public carrier our responsibility ceases.

Terms of sale are net, cash with order, unless other arrangements are made before shipment. PACKING FREE. Samples, at cost of stock, plus postage.

Shipment—We advise express shipments. If small orders are to be sent parcel post, sufficient postage must accompany order.

Rates — No sales of less than 100 of a grade or variety, except when so stated in this list. 500 at a 1000 rate.

- \*Indicates once transplanted.
- \*\*Indicates twice transplanted.
- \*\*\*Indicates three times transplanted.
